Programme

A series of five 10m Air Rifle events run on electronic targets. The main competition is run in 4 classes and comprises of 60 competition shots to be fired in 1hour 15minutes. This is preceded by a 15 minute setup period and a 15 minute preparation and sighting period.

Competition Dates

The Grand Prix Series will be shot on the following dates in 2019-20:

Grand Prix	Date	Venue
Air GP1	3 October 2021	The Bunker – Inverness
Air GP2	14 November 2021	Denwood – Aberdeen
Air GP3	12 December 2021	Alloa and District Rifle Club
Air GP4	8 January 2022	Cumberland News – Carlisle
Air GP5	12 February 2022	Denwood – Aberdeen

Event Rules

The Grand Prix will be run as far as possible under ISSF rules with equipment control advice available at each event. Equipment control rules may be waived in the lower classes at the discretion of the event organiser. The Range Jury will consist of any three people from the local organising committee and/or the STS Smallbore AMG.

ISSF Rules and the latest amendments may be downloaded free from www.issf-sports.org. A reference copy will be available for competitors.

Shooters with a Disability

Venue Accessibility

The Carlisle club and the indoor range at Denwood are accessible venues. The Alloa club is accessible with a steep ramp to the range. Wheelchair users may need a little extra help to negotiate this. The Bunker in Inverness is not accessible for entrants with little or no lower limb mobility.

Novices

Novices are very welcome at these events. While competing against some of the best shots in the country, this is a chance to enjoy the experience of competitive shooting, chat to a wide range of shooters, and, most of all, have some fun. If you would like to compete but are a little unsure or have some questions, please email events@scottishtargetshooting.co.uk

Extra Shoot

Subject to entry and range capacity the extra shoot is an optional additional 60 shot match. Places can only be requested and paid on the day for a fee of £5. Main Competition entries take precedence over "Extra Shoot" entries.

The winner of the "Extra Shoot" shall be the competitor achieving the highest percentage increase in score from their main competition score and shall receive a return of their entry fee for the extra shoot competition.

Final

Depending on range capacity and entry, the leading competitors after the qualifying match will shoot in an ISSF style final. The winner will be the competitor with the highest match score in the final.

Points

Points for the Grand Prix series will be awarded per the following table based on the competitor's position in the final. If the range does not have capacity to run an 8 lane final the competitors who would have qualified for an 8 lane final will be awarded points based on their qualification ranking.

If a competitor who qualifies for the final does not compete in the final, then the competitor will not be awarded any points.

Position	Points
