

## Gallery Rifle & Pistol National Championships 2023

### Scotland Gallery Rifle & Pistol Team Match Report

15 members of the Scotland Gallery Rifle & Pistol Team travelled to the NRA Shooting Centre Bisley to compete in the Gallery Rifle & Pistol National Championships on Saturday 2<sup>nd</sup> and Sunday 3<sup>rd</sup> September.

The weather was great and so were the results. I'm proud to be able to announce that Scotland won the Home Countries National Match on the Sunday morning, this is only the 2<sup>nd</sup> time in 15 years that we've managed to win this event, but it won't be the last. Not only did we come home with the HCNM trophy, we also now have three National Champions within the team. Well done to Jonny Cormie (GRSB), Chris Douglas (GRCF) and Glenn Gordon (LBR) National Champions.

Along with the team events and individual aggregates there are also several individual events. Members of the Scotland team won 22 gold medals, 11 silver medals, 6 bronze medals.

Thanks, and congratulations also goes to Graeme Dodds (Scotland Captain) for managing a very successful team.

The new shirts look great, thanks to Optics Warehouse for sponsoring the team and Mike Hibberd for arranging the design.

Well done to everyone in the team and thanks for your commitment throughout 2023 and I'm looking forward to seeing what 2024 will bring.
